## Do you have dog / pet with you to the cottage?

We love dogs and of course, the dog should join on holiday in the countryside. However, we must have some rules ..

- Pets are not allowed in furniture or beds in the cottage.
- NOTE: All animal hair in the cottage is cleaned away by the animal owner, is not included if you buy final cleaning.
- When walking the dog / pet so pick you up after it if it has made their needs in the area. This applies the whole vacation village area.
- Dogs must be on a leash in the area, but may of course swim at the swimming area designated for the dogs. The dog are not allowed at the pooldeck.
- You are responsible if your dog / pet cause any damage in the cabin or in the area.
- Be aware that some people are afraid of dogs and show respect.
- If you leave your dog in the cottage, it must be caged and left a maximum of 3 hours.  
Many dogs bark continuously when they are left alone, this is not appreciated by the neighbors. Make sure that your dog does not disturb others when you are not at the cottage.
- Dogs are not allowed in animal paddocks!
